

## **Cookies Policy**

We use „cookies“ to improve the functionality of our websites. Cookies are small text files that may be installed on your computer when you visit a website. Cookies are generally used to provide site visitors with additional functionality within the site. Cookies cannot access, read or modify any other data on your computer.

We use cookies that

- are going to be deleted again when you close your browser (session cookies),
- remain stored on your end user device even after you close your browser (permanent cookies),
- originate from us (first party cookies) or from third party cookies.

Through our cookies, we process data on the following legal bases and for the following purposes:

- We use cookies, which are strictly necessary for our websites to function, on a legal basis.
- We use all other cookies on the basis of your consent.

In order to withdraw your consent or to restrict it to certain cookies, you have inter alia the following options:

- Use the settings of your browser. Details can be found in the help function of your browser (usually accessible via the F1 key on your keyboard).
- At <http://www.youronlinechoices.com/uk/your-ad-choices> you can have the system analyze which cookies are used by you and deactivate them individually or in their entirety. This is an offer from the European Interactive Digital Advertising Alliance.

Withdrawing your consent does not affect the lawfulness of processing based on your consent before your withdrawal.

**Please note that the functionality of our websites may be impaired if you withdraw or restrict your consent.**
